Acknowledgements:

Replace this text with a list acknowledging any outside help you have received in completing this assignment (outside help means: the textbook, the notes on the course website, the teaching assistants, and the instructor). For example, if you have discussed or collaborated with another student on a question, state the question number and the name of the student. If you haven't received any help write:

"I declare that I have not used any outside help in completing this assignment."

Name: YOUR NAME
